home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

The Mystery Of Cloomber
Sir Arthur Conan Doyle

The Mystery Of Cloomber

"This novel is written by the author of, among other novels, the Stories of Sherlock Holmes. It is narrated by John Fothergill West, who tries to discover why the tenant of Cloomber Hall, General Heatherstone, is nervous to the point of being paranoid. Why are his fears becoming stronger every year at the fifth of October? And why doesn’t he let his children leave home? This is a great mystery novel with a sharp twist at the end."
(Summary by Wikipedia and Stav Nisser)
